Southern Root Beer Company, 7 Nicholson Street, Pulton.

TWO SPECIAL ELECTIONS

Both May Be Held on Date of November General Election.

Governor Mann is preparing shortly to issue writs of election in the Richmond Senatorial District, composed of Washington and Smyth Counties and the city of Bristol. The former is now vecant because of the resignation of State Senator Folkes and the latter by reason of the death of Senator Cummings. If no special objection is found in the election laws, the writs of election will provide for special elections in both senatorial districts on the date of the November general election, when State officers and members of the House of Delegates are to be chosen. It has not yet been determined whether at these special elections, if held on the date of the general election, it will be necessary to provide special ballot boxes and to keep the returns separate.

Delay by West Virginia.
Dilatory action on the part of the West Virginia Debt Commission has resulted in a call for a meeting of the Virginia Debt Commission to be held at the Jefferson Hotel on September 29 at 10 A. M. It is stated that it is the purpose of those asking that this meeting be called to urge the Virginia commission to take further action before the Supreme Court of the United States to compel the payment of the debt, which that court has already declared to be many years past due. Virginia has been ready at all times to meet the representatives of West Virginia and compromise the interest claims, and to arrange for the payment of the principal over a period of years, or in such way as would not embarrans? West Virginia, but the lack of interest shown by the debt commission of that State, and by the State itself, it is claimed, will make it necessary for Virginia to take steps to force a settlement.

STILL CHECKING RETURNS

will be necessary to provide special ballot boxes and to keep the returns separate.
